## Accommodation Needed

The Association has received a request from a young French man who would like to spend 2 - 4 weeks in Thetford during the summer holiday. Anthony is 17 years old and attends a technical/high school. He is interested in computer programming and gaming. Ideally he would like to stay with a family with children of the same age, and similar interests. Reasonable expenses would be paid.

**If you can help, please contact Catherine Dubois Goodall on 01842 750866 asap.**
