OBITUARY

We were all so sad to hear of the death of Barrie Nutt, President of Thetford Twinning Association, on 10th November. Barrie was a founding member of the Association and was Chairman for many years until his recent retirement because of ill-health. It was then that he was asked to take on the role of President. Barrie was deeply committed to the principles of friendship through twinning and he will be sadly missed by the Association and also his friends in all our twin towns. Our thoughts are very much with Sheila and the family.
