## NEWS FROM SKAWINA

Skawina Town Council will not be holding their Skawina Days event for this year. As you may have heard on the news, heavy rain has led many rivers to rise and the town has been badly hit by flooding in the suburbs, with families being made homeless. Thousands have been evacuated from homes throughout southern Poland as continuing rain and

large-scale flooding have caused havoc, and even death in some cases. 150 schools have closed due the floods, and many roads and railway lines are under water. Electricity has been cut in several areas, including parts of Krakow and surrounding towns, including Skawina.
