Coffee Morning & Soup

Kitchen: October. Event to raise awareness and funds. Dutch theme.

CHRISTMAS IS CANCELLED ...

Following a recent survey of all members, the overall consensus was that fewer events would be preferred. In particular, it was felt that a Christmas party was unnecessary as there are always so many other similar events on in the town at that time.

For that reason, unless there is an overwhelming response asking us to reconsider, we will **not** this year be holding a Christmas party.
