Thetford Town Council & Thetford Twinning Association

You will remember that the relationship between the Town Council and the Twinning Association was raised at our AGM early this year. Our Chairman and Vice Chair recently had a very positive meeting with the Mayor and Deputy Mayor. It is hoped that the Council's Civic Links Committee will be reinstated, with regular input from the Twinning Association Committee. We are looking forward to closer working links with the Town Council and will report back to members when we have more news.
