NEXT EVENTS

INFORMATION DAY

We are hoping to hold another of our themed information and awareness-raising days in the town centre in the autumn, offering soup and cakes based on recipes from our twin towns. We would appreciate volunteers to help make soup and/or cake, and to help serve them on the day. More details will be available when we have confirmed the venue.

CHRISTMAS PARTY

We are planning our Christmas Party. Whilst we already have some ideas, we would like to know if members have any suggestions of what they would like to do.

We will also be planning our programme of events for next year at our next Committee meeting and we are open to suggestions from members. Offers of help in planning and running the events will be very welcome.

Other News

We have a few of the souvenir paperweights that were produced for the Jubilee/50 Years of Twinning/20 years of TTA celebration weekend available to buy. A limited number will be on sale at the barbecue for £5. Payment by cheque, please.

This is YOUR Association

More volunteers are always needed. This is YOUR Twinning Association - please join in to help run the Association and help out at our events.

BBC Radio Norfolk

Stephen Bumfrey from BBC Radio Norfolk has contacted Thetford Twinning Association about a feature on our link with Spijkenisse. The event is likely to take place in mid-October with interviews in Spijkenisse and Thetford. More details to follow as details are arranged.
