## Delivery of Newsletters

At the AGM some people said they would be more likely to respond to requests for help and to book tickets for events if their newsletters were delivered by paper copy, instead of by email. We are therefore trialling delivery of paper copies only. We will monitor the response, but it would be helpful if you would let Margaret Ince know if you would prefer to receive your newsletter by email or printed copy in future, and we will go with the majority. *Please be aware that the cost of delivery (ink, paper and postage) may have an effect on the annual subscription in the future.*
