#### Tea & Cakes in King's House Gardens on Saturday, 5th September

As part of Thetford's Great Festival, the Twinning Association will be providing tea and cakes in King's House Garden on Saturday, 5th September. This is an event to promote the Association and raise funds, and we would welcome help from members, including donations of cakes to be sold, help on the stall on the day, or just come in and buy a drink and a cake. The stall will be open from approximately 12.30 pm to 4 pm.

Margaret would welcome contributions of photographs etc. to display. Members should contact her for further details

We would also like to have an entry in the Scarecrow competition. Please contact Margaret if you can help with that.

## AUTUMN FUNDRAISING EVENT

Last year's Soup Cafe fundraising event was very successful and we'd like to build on it this year by selling a wider range of goods.

We would welcome donations of cakes, sweets, jams, pickles, etc, to sell, and if anyone makes cards, gifts or other items they would be prepared to give, this would also be very much appreciated. We would also be grateful for prizes for the tombola.

Help on the day would also be very welcome – please make a note in your diary to support us on Saturday, 21st November. The time is expected to be approx 10.30 am to mid-afternoon.
