Next Event

Autumn Soup Cafe and Crafts & Produce Sale

Saturday, 21st November

King Street Baptist Church, Thetford

The Association will be repeating our fundraising event of last December to continue to promote the Association and raise funds. **We would welcome help from members**, including soups and cakes to be sold, help on the stalls on the day, or just come in and buy a cup of soup, a drink, a cake, some tasty or crafty Christmas presents and have a go on the tombola. The event will start at 11 am and run until approximately 4 pm.

We would like to expand the offerings from last year's event, and already have some promises of cakes, sweets, jams, pickles, and so on, but we would very much like more to sell, including **crafts, cards, gifts, homemade treats** or any other items you can donate. **Are you, or is anyone you know, crafty and would be able to take or share a table to sell handmade items**, with a small percentage going to the Association? We would also be grateful for **prizes for the tombola**. Contact Margaret for more information or to reserve a table.

Margaret can be contacted on 763183 or by email:
margaretince@btinternet.com.

Update from the Thetford Festival Fundraising Event

Despite the cool, windy weather our cake stall in King's House Gardens as part of the Thetford Festival was very beneficial for us as we made over £150 for the Association's funds. Thank you so much to all the members who helped on the day, donated cakes, or just came along and enjoyed a hot drink and a piece of cake. You made our hard work worthwhile.
