**CHRISTMAS SOCIAL** 21 December 2017, from 12.30 pm This is a social event by generous invitation of Judy Chisman, one of our Committee members. **ANNUAL GENERAL MEETING** We are tentatively looking at the evening of Friday, 16 February for our AGM, but are waiting for confirmation on this date. As always, committee members will be needed. Please give some thought to how you could help.

## Thetford Dolphins Swimming Gala

The Dolphins held their regular Gala on 21st October, to which swimmers from Hurth and Spijkenisse were invited, as they have been for many years. It's great to see these links continuing today. There were forty nine races, from which Thetford took twenty first places, sixteen second places, and seven thirds, winning overall. Hürth came second and Spijkenisse third. The Twinning Association has previously donated a shield to the club to be awarded to the winning club. It is inscribed with the name of the winners and is kept in Thetford.
