Cake Stall

Sunday, 27th May, 10.30 am - 3 pm

Market Place, Thetford - part of the town's Spring into Summer event

We have found these sales most effective to raise money for the Association with the least effort from the Committee, but as always we rely on donations of produce from members. If you can donate something for us to sell, please contact Margaret to arrange to drop it off at her house beforehand, or at the stall on Sunday morning.

Committee members will be running the stall all day, but would welcome help, even for an hour or so, to give us a short break. Please come along to support us and the other stallholders.

Please let Margaret know by **Thursday, 24th May** how you can help. Thanks in advance.
